

## Delivery

- Pre-issue date** (not applicable to X Small subscriptions)
- Monthly**
- Quarterly** (4x per year)
- Semi-annual**

## Payment options

- Payment slip** (SEPA area only)
- Automatic debit to your account** (SEPA area only)

I hereby authorize Österreichische Post AG, Collector Service Centre, to debit my bank account with the amount due for the items I ordered using the SEPA direct debit scheme until further notice. After I have shared my bank account information, I will receive a form that is required to set up the SEPA direct debit scheme that I will sign and return to Österreichische Post AG. I may reject any direct debit transaction without stating reasons within 56 days.

**FOR STAMP ENTHUSIASTS**  
**Stamps as**  
**collectibles and gifts**

The philately selection of Österreichische Post AG is as colourful and varied as the subjects featured on our products. Start collecting stamps featuring art, culture and society-related subjects today! Our customised subscriptions for all new releases will get these stamps to your doorstep, either in mint condition or cancelled.

## Benefits for subscribers

### Reliable and convenient

You will automatically receive all newly released stamps. Even for highly limited and therefore very coveted editions, we will always reserve the amount you have requested as part of your subscription.

### Exclusive special-issue stamps for subscribers

Every year, we release a special-issue stamp as a bonus gift especially for our subscribers. These stamps are not available to the general public and therefore have increased collector value.

### Valuable information in our customer magazine

As a subscriber, you will receive the internationally renowned journal "Die Briefmarke" along with our "Album" customer magazine.

### Free bonus gifts

Loyalty pays off! As a subscriber, you will receive free bonus gifts.

## Our stamp issues

### Special-issue stamps

These stamps are released in limited editions for special occasions and subjects. They are highly coveted collector objects.

### Definitive stamps

These stamps are produced in unlimited amounts and are mostly used for postage.

### Dispenser stamps

Dispenser stamps are used for postal items at postal counters only instead of adhesive postage slips.

## We have the right subscription for everybody

### "X Small" subscription | dispenser stamps

Includes all new releases in a year: 12 motifs in 4 categories. The minimum purchase is 3 units per category. The cost amounts to approximately EUR 4 per month.

### "Small" subscription | special-issue stamps

Includes all newly released special-issue stamps and miniature sheets in a year; roughly 50 stamp editions per year. The cost amounts to approximately EUR 7 per month.

The perfect choice to get started

### "Medium" subscription | special-issue stamps and definitive stamps

Includes all special-issue stamps and miniature sheets as well as newly released definitive stamps.

### "Large" subscription | dispenser stamps, special-issue stamps and definitive stamps

This subscription covers Österreichische Post AG's entire stamp selection.

For all subscriptions, you can choose between the "mint condition" and "cancelled" options. The exact price for every subscription and every month will depend on the value of the new releases and can therefore vary.

## Small Format, big effect:

Would you like to create your own stamp? You can do that on [post.at/meinemarke](https://post.at/meinemarke)
